WANTED 1.1

Bienvenidos a este nuevo numero, como veréis hemos crecido con 8 nuevas paginas y nuevas secciones. Así que aquí os ofrecemos un nuevo Wanted que en nuestra opinión es uno de los más salvajes que hemos hecho en cuanto a material: En este nuevo numero podréis ver 10 wholecars de Metro en Madrid algo nunca vivido en esta ciudad hasta el momento, pero no os creáis que es todo lo hecho en este año ya que en total suman 25 y subiendo. De la misma manera, la vigilancia aumenta, pero el más difícil todavía sigue estando.presente en los escritores tirando por tierra cualquier intento de control sobre sus acciones.

En cuanto a cercanías parece que el verano ha sido una buena época para finalizar con éxito unas cuantas misiones.

Sección muros sobran las palabras, ojearla y encontraréis nuevas producciones que os dejaran con la boca abierta.

Interrailers: ¿Quien no ha salido fuera este año? Seguro que pocos, la gran cantidad de material llegado a nuestra redacción así lo demuestra.

Por supuesto todo esto es gracias a los que os lo seguís currando día a día. - KEEP RUNNING

Welcome to this new issue. As you will see we've grown up in 8 new pages andsome new sections. So here you have this new Wanted, which is, in ouropinion, the wildest ever done. In this new issue you're going to find 10 Madrid subway whole cars, something never lived before in this city. But do not think this is all that have been done this year because the total reaches the number of 25 and keeps growing. Just the same as the security, that has increased a lot. But writers have in mind that the hardest hasn't been reached yet so they keep on knocking out all attempts made to control their actions.

It seems that this summer has been a great time to finish up victorious some commuters´ missions.

There ain´t words to describe the wall section, take a look at all this new productions that will surely make you go crazy.

Interrailers: Who hasn't gone out this year? Surely very few of you as we've received loads of new material in our office.Obviously this is all possible

Because of you ones that keep on working hard for it daily. - KEEP RUNNING
